

FAQ's for In-Person Worship

What safety measures will be in place?

We will continue to encourage hand-washing, mask wearing and social distancing. Every other pew will be available and we will open the windows in the sanctuary when the weather permits. Also, our musicians and vocalists will wear masks while they sing.

Will we have Small Groups?

Yes, we will have small groups. We are asking small group leaders to make sure that they reserve space by emailing Carolyn@XUMC.org.

Will we have a Children's Ministry and Nursery?

We will start back with a "family worship" style, encouraging families to stay together in a pew. We do plan to relaunch the Children's Ministry in the near future as we determine how best to do that. If you're interested in volunteering in that ministry email Info@XUMC.org.

Will we have Communion?

We will continue to celebrate communion at the beginning of each month with individualized communion elements.

Do I need to RSVP to attend worship?

We are NOT asking people to RSVP to attend worship. We will monitor the numbers and spacing that is available in our worship service and be prepared to multiply into a second service when necessary.

Additional Questions?

Feel free to email Info@XUMC.org or call the church office at 704.392.3592.
